

Notification for publication of preliminary documentation under the
Environment Protection and Biodiversity Conservation Act 1999 (EPBC Act)

Invitation for Public Comments

Goyder North Renewable Energy Facility Stage 1, Burra, SA

In accordance with Section 95A(3) of the EPBC Act, interested persons and organisations are now invited to comment on the Preliminary Documentation for the proposed development. The period for public comment will commence from **Wednesday 22nd October 2025 for a period of 20 business days, until Wednesday 19th November 2025.**

Neoen Australia Pty Ltd proposes to develop the Goyder North Renewable Energy Facility Stage 1 Project (EPBC Number: 2024/09929) located approximately 5.5 km northeast of Burra in the Goyder Regional Council area of South Australia. The project involves the construction, operation and decommissioning of a wind farm facility, including up to 99 wind turbine generators and associated infrastructure, substations and ancillary infrastructure, approximately 48 km of overhead transmission line that connects into a proposed extension at Bunday Substation and a battery energy storage system of around 225 megawatts / 900 megawatt hours. The project life is expected to be approximately 30 years.

The proposed action was determined to be a Controlled Action under the EPBC Act. The controlling provisions of Part 3 of the EPBC Act are 'listed threatened species and communities' (sections 18 and 18A) to be assessed by preliminary documentation.

Preliminary Documentation materials will be on display for viewing for 20 business days between Wednesday 22nd October and Wednesday 19th November 2025 at the following locations:

Goyder Regional Council Chambers
1 Market Square Burra S.A. 5417

State Library of South Australia
North Terrace, Adelaide S.A. 5000

Preliminary Documentation materials will also be published online for viewing for 20 business days between Wednesday 22nd October and Wednesday 19th November 2025 at goyderenergy.com.au/documents.

All public comments must be submitted by COB on Wednesday 19th November.
